FOUR WAYS THAT OPERATORS CAN INCLUDE MARS IN ANY FITNESS SPACE.

01

SOLO MARS SCREEN.

Create a focal point in any fitness space with a stand-alone MARS screen, attached to a wall using a bracket. See above for more details.

02

MARS RACK PACK.

A complete package, the MARS RACK PACK consists of two RACK5 units, fully-stocked with Escape equipment and the MARS screen as the centerpiece.

03

MARS ON AN OCTAGON LEG.

Easily visible and accessible, a MARS screen can be mounted on any Octagon frame leg at around 1.5m from the floor with the MARS screen as the centerpiece.

04

MARS ON AN OCTAGON FRAME.

Aesthetically-pleasing and practical, a MARS screen beam creates a focus point of any Octagon frame.
